

6 FACTS ABOUT CAREINGTON DENTAL PLANS

Careington offers dental savings plans, not traditional dental insurance. Here's a breakdown of Careington Dental Plans:

- Cost: You pay an annual fee to access a network of dentists who offer reduced rates on services.
- Savings: Members can save 20-60% on dental work. There's no annual limit on savings.

1 Savings, Not Insurance

1

Careington Dental Plans offer discounts on dental procedures, rather than acting as traditional dental insurance

2

2 Immediate Savings

You can start saving on dental care as soon as 72 hours after enrolling, with no waiting periods

3

3 Broad Network

Careington boasts a large network of dentists, allowing you to choose a provider that suits your needs .

4

4 Simple to Use

No need to worry about pre-approvals or claim forms. Simply show your Careington ID card at the dentist's office to receive your discount.

5

5 Multiple Plans

Careington offers various plan options, including individual, family, and even plans for children, with the flexibility to choose monthly or annual payments

6

6 Additional Benefits

Some Careington plans, like the 500 Plus Series, offer extended savings beyond dental care, including telemedicine consultations and discounts on vision care.
